23Kg

VESA
100mm x 100mm

- All hardware included
- Supports up to 23KG
- Integrated cable management
- Quick & easy installation
- Pole available in Black or Chrome

The ErgoMounts VisionPro D1100BB is compact and low profile monitor desk mount capable of supporting two moderately sized screens back to back. As standard this mount is supplied with a 250mm vertical pole (custom sizes are available upon request) which centers the VESA interface approximately 460mm from the desktop. The ergonomic and adjustable head unit provides up to +17° / -10° of tilt.

The VisionPro D1100BB is compatible with most monitors and televisions that weigh up to 23Kgs (Total) and have a VESA 75mm x 75mm or VESA 100mm x 100mm interface plate. We can also supply a VESA 200mm x 100mm or VESA 200mm x 200mm adaptor plate for larger screens.

Installation & Maintenance

The ErgoMounts Planned Preventative Maintenance Programme (PPM) covers bi-annual visits from one of our highly trained technicians. They ensure all of our arms are working as intended and replace or repair any worn parts. This often extends the working life of the mounts by several years resulting in significant savings. Contact us to find out more about our installation and maintenance plans.

Interested In Selling Our Products?

We're always looking for new businesses to take on and sell our exciting portfolio of products. Our resellers receive a range of exclusive benefits including combined marketing, trade accounts and access to our team of experts.
