

Delta Series Swing Arms

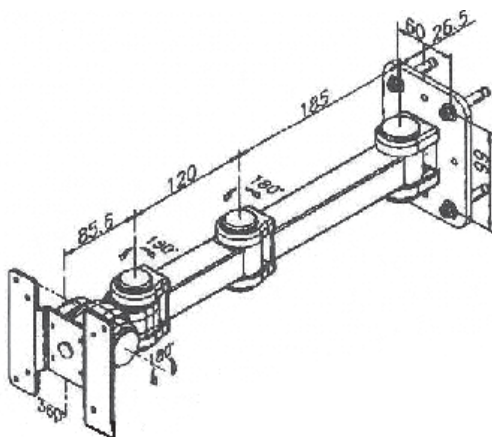

The Delta Series Swing Arm is a highly functional, cost effective slim line arm suitable for LCD / TFT monitors and LCD TVs.

The Delta Series Swing Arm supports LCD monitors up to 10kg and provides up to 400mm of reach adjustment, +/-90° of tilt and swivel. A full 270° of rotation allows the LCD monitor to be positioned at 90° to the wall if required. The Delta Series Swing arm is ideal for both the corporate and home user. It is also extremely quick and simple to install with the minimum of tools.

Touchscreen stable.
Available in black finish.

Part Number: EM178A
